Please join for a very special Lions Tribute Day as they unveil plans for the LIONS CLUBS INTERNATIONAL FAMILY CENTER at City of Hope.

Lions Family Center will provide patients with housing on the City of Hope campus. The facility is made up of 40 bungalows that give patients a private space to call their own family members and friends while also giving them easy access to the medical care they need. The Family Center offers a wide array of amenities for families residing in the bungalows, as well as for those who make use of on-site RV Park with six spaces hookups to. In addition, the Center is open for use to families whose loved ones are hospitalized at the Clinical Research Hospital. Lions Family Center will offer a haven for patients and their families during distressing times.

A Complimentary Barbeque lunch will be served. In lieu of ticketed admission, you may consider making contribution which will support the creation of Lions Club International Family Center. Also be considerate and inform me at Lzzzy@aol.com in timely fashion regarding number of members and guests attending from your club, so that they could plan the event successfully.

Please make checks payable to **City of Hope** and include 'Lions Family Center-4-L1' in the memo line. Please give the check to me so that I can make the report for our District's contribution to City of Hope for the project. Any gift for \$300 or more will be recognized and if the donation is for \$1,500 or more, the name will be displayed on the friends section of Japanese Garden Wall with the maximum of 25 Characters.

Please attend in large number as there will be presentation by renowned City of Hope clinicians and researchers, presentation on the Lions Clubs International Family Center project and of course Tours of Campus (optional).

Please note that it is not necessary to contribute for attending, but will be appreciated by City of Hope.
